RE: United States v. Chris Morales  
Court File No. 18-mj-752 (JTH)  
Our File No. 0401

Dear Magistrate Judge Huseby:

The Government has filed a Motion to Reopen the Detention Hearing. I am writing to request the Court take no action on the Motion to allow the Illinois psychiatrist, hospital case worker and the probation officers gather the necessary information and explore options for the defendant.

The defendant is currently in Mercy Hospital in Aurora, Illinois, and I respectfully submit the Court will be in a better position to rule on the Government's Motion after the undersigned has had an opportunity to respond when a discharge plan is established by the medical staff.

Sincerely,

*Robert Owens*
